Birdies for Bursaries

We gratefully acknowledge our sponsors, suppliers and donors whose generosity has made this tournament such a success, especially Cinémas Guzzo, tournament sponsor since 2001. Proceeds are directed to building the Old Boys' Association Endowment Fund, and to the Montreal Canadiens Children's Foundation.

Twelve per cent of our students now receive financial assistance. Our long-term goal is to double that number and to triple the amount awarded annually (currently \$300,000).

To make this possible, we must establish an endowment of ten to fifteen million dollars to sustain the Financial Assistance Programme. Events such as the Alumni and Friends Golf Tournament contribute to our reaching this objective through the involvement of the Selwyn House School community.

Again, we appreciate your support of the tournament, which will help us enroll increasing numbers of deserving students who will contribute to the quality and diversity of the student body.

Community Charity

Montreal Canadiens Children's Foundation

For the first time, the Alumni & Friends Golf Committee will donate a portion of the proceeds from this year's tournament to a charity within the community. The chosen charity is the Montreal Canadiens Children's Foundation.

The mission of the Montreal Canadiens Children's Foundation is to help underprivileged, sick and special needs children. It aims to promote the development of and access to programs, resources, materials, equipment, or places intended for the children and does so through the charitable assignment of funding to non-profit groups dedicated to fighting poverty, improving well-being, or promoting sport among the less fortunate.

Since its inception on August 31, 2000, the Foundation has donated over \$3.3 million to charitable endeavors, financially supporting close to 150 non-profit organizations from all across the province of Quebec.

Visit: www.canadiens.com/eng/community/foundation.cfm for a list of beneficiary organizations or for more information.

Selwyn House School

Statement of Purpose

Selwyn House, an independent boys' school (570 students, K-11), provides students with an education of exceptional depth and scope.

The school fosters academic excellence through an enriched curriculum, the development of critical and creative thinking, and the ability to communicate ideas well. We strive to instill in our students an intellectual curiosity and a lifelong commitment to learning.

Dedicated, energetic staff teach our courses, coach our teams, supervise our activities, and communicate openly and regularly with parents. Our programmes challenge boys mentally and physically, while stressing a respect for honesty and fair play, and a tolerance of the ideas of others.

Selwyn House supports its students and staff, and rewards their efforts as well as their achievements. Our community is one in which students can build confidence and self-discipline, appreciate their responsibilities to others and themselves, and find joy in learning.

Our goals are that students will acquire positive attitudes to scholarship and recreation, learn clarity of thinking and self-expression, and guide themselves with a high degree of personal integrity.
